LEAN LIBRARY
A SAGE Publishing Company

Off Campus? On Lean Library Access!

Access to research anytime, anywhere

Working on your research application at home? Looking for electronic journals or reviews you want to cite in your publication? Download the free Lean Library Access browser extension and access study material anytime, anywhere.

Simplified access

The Lean Library Access browser extension provides quick and simple access to digital content provided by your library wherever and whenever you decide to work. Using Lean Library Access means you spend less time searching for articles and journals, and more time researching.

Automatic notifications

After downloading, the extension will notify when you are on a website that contains licensed material. A single click will open that site via the library, ensuring you've got access. If the article you'd like doesn't seem accessible, Lean Library Access will automatically check for open access versions of the article.
